

BAND & ORCHESTRA BOOSTERS

2011-12 GUNN BAND AND ORCHESTRA BOOSTERS

Please Join Today to Support Your Student's Band or Orchestra!

We are writing to ask you to support your instrumental music students by joining the Band & Orchestra Boosters. The Boosters are crucial to the success of the Gunn musical ensembles AND your membership gets your whole family in to all Gunn instrumental concerts (except special guest artist concerts). What's in it for you? Here are a few ways the Band & Orchestra Boosters support YOUR student musicians:

- Fund the hiring of guest conductors, musical tutors, and music consultants to enrich the musical experience for all students
- Purchase needed new instruments to round out ensembles and give students the chance to try other instruments
- Provide fees for the rewarding participation in festivals and honor bands
- Purchase music for the bands and orchestra so that all students can experience a variety of different musical styles and compositions
- Provide scholarships to ensure all students can participate in field trips

But we can't do all these important things without your help, so please join the Boosters and also make an additional donation if you can, today!
